

Magical Earth Retreats

SUMMER EARTH ADVENTURES (DAY CAMPS)

Ages:	9-12 and 6-8 Each group will have separate sessions and then group sessions.
Our summer adventure includes the following daily themes*:	
Orientation and Orienteering:	First day orientation, making a walking stick, using a compass, mapping the land and trails, geo caching, plant identification, sketching, rubbings in journals and woodland games, quiet time.
Fire and Lunch	Making fire with friction, building a lean-to shelter, fairy houses, sketching and journaling. Lunch by the open fire with story telling, quiet time.
Woodland Adventure	Animal tracks, rubbings, nests, flora and fauna identification, animals on the verge of extinction, mask making, watercolor painting, quiet time.
Music in the Woods	Magical musical instrument making, jam session, puppet making, fairy house construction, journaling, quiet time.
Treasure Hunt	Treasure Hunt using the clues provided, painting, more story telling, nature games, quiet time.
<p>Our programs vary dependent on the weather and participants. We include many other activities and crafts too numerous to mention here.</p> <p>We also spend quiet time in our "silent hollow" where we write poetry, discuss the days events and express our gratitude for everything and everyone.</p>	
Join us in the magic of nature!
